

REMARKS

The last office action has been carefully considered.

Claims 3-6 are pending in the present application, with claims 3, 4, and 6 amended, and claims 1 and 2 cancelled herein. No new matter has been added by these claims.

In the office action claim 5 is allowed and claims 3, 4 and 6 are indicated to be allowable subject to being rewritten in independent form with the limitations of the base claim and all intervening claims being incorporated therein.

In the last office action the Examiner rejected claims 1 and 2 under 35 U.S.C. §102 as being anticipated by U.S. Patent No. 7,006,445 to Cole et al.

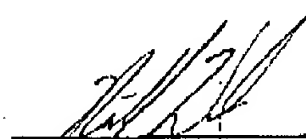

Claims 3, 4, have been amended to include the limitations of claims 1 and 2 and claim 6 has been amended to include the limitations of claim 1. As claims 3, 4, and 6 were indicated to contain allowable subject matter, these amendments to the claims to place them in independent form and include the limitations of any intervening claims place these claims in condition for allowance.

CONCLUSION

In view of the remarks set forth above, this application is in condition for allowance which action is respectfully requested. However, if for any reason the Examiner should consider this application not to be in condition for allowance, the Examiner is respectfully requested to telephone the undersigned attorney at the number listed below prior to issuing a further Action.
